

Slimline Autofill Countertop 10L with Built-in Filtration

Product Code	070029
Model no.	SAF10CT
EAN Barcode	5011139070029
Product type	SL Autofill Boiler
Warranty Period	2 years parts and labour

Technical Information

Product Info:

Filtered	Yes
Capacity (litres)	10
Packed Dimensions W x D x H (mm)	310 x 540 x 70
Drip Tray Dimensions W x D x H (mm)	210 x 195 x 51
Product Weight (kg)	11
Packed Weight (kg)	14
Colour	Bright Annealed Stainless Steel & Black
Body Construction / Material	430 Stainless Steel
Tank Construction / Material	304 grade Stainless Steel
Trim and drip tray plastic type	PC ABS
Tap Material type	Chrome
Dual Function Tap	Yes
Safety Standards test	EN60335
Nonslip Feet	Yes
Boil Dry cut-out	Yes

Performance:

Heat up Time to 98°C (minutes)	34
Rapid Draw off—Litres	13
Rapid Draw off—Pints	228
Rapid Draw off—Cups	36
Output per Hr—Litres	31
Output per Hr—Pints	55
Output per Hr—Cups	206
Recovery Per min—Litres	0.45
Recovery Per min—Pints	0.88
Recovery Per min—Cups	3
Heat up time 70°C—98°C (minutes)	8
Cool down time 98°C—70°C (minutes)	322
Standard power consumption (kW/hr)	0.12

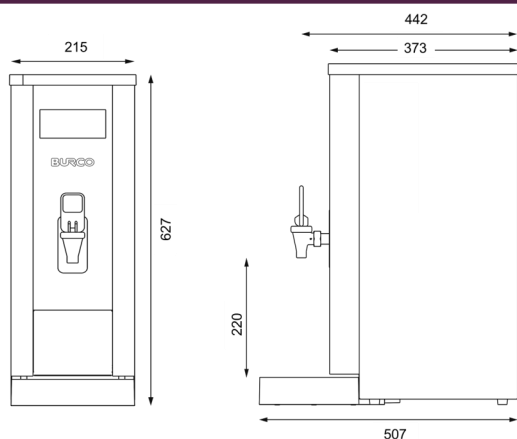

Installation:

Hard wiring required	No
UK fitted plug	Yes
Cable length (m)	1.5
Water feed pipe length (m)	2
Max. water inlet pressure (bar)	8
Element power rating	2.8
Phase type	Single
Nominal voltage	230V 50-60Hz
Electrical supply current (A)	13
Water inlet connection fitting	3/4" BSP

Water Boiler Features

- Compact 215mm width
- Replaceable water filter provides better tasting beverages and reduces limescale build-up
- Desired water temperature can be easily set between 98°C down to 70°C for more delicate speciality teas
- Will dispense up to 206 cups per hour / 31 litres, with 13 litre rapid draw-off
- The boilers eco-mode can be programmed to suit the location, reducing running costs and saving energy
- Robust chrome tap, can be switched between controllable and constant flow with 220mm tap height above tray
- Tough plastic drip tray, easy to empty and clean, with drain outlet for optional waste water connection
